To: Mr. Barry Kaye

As clients in the past of Mr. Barry Kaye. I Bertha M [REDACTED] as well as my husband Sergio C [REDACTED] can affirm that thanks to Mr. Kaye's continuing hard work during the period he was our representative the outcome of our case was overall exceptional. Any questions that we had, Mr. Kaye always had the right answer. We knew we were in very good hands which made us feel comfortable and secured. Since the time that Mr. Kaye began to provide his legal services he focused on doing his job with ethics as well as always staying in constant communication with us and with all honesty that a lawyer should have. We recommend Mr. Barry Kaye without hesitation or thought; as yet we can be sure that we continue to count on him despite the fact that our cases have already been resolved. Thank You Barry!

Recommendation from Salvador J [REDACTED]

Mr. Kaye provided outstanding services, which I would and could recommend to anyone whose faced similar circumstances such as myself. Even though I'm still a minor, the charges with which I was faced were serious and could have adversely affected my future substantially. Mr. Kaye not only provided a very reasonably priced defense for me, he was extremely accommodating when it came to my circumstances. He is a wonderful person and sincerely wants the best outcome for all of his clients. I was so blessed to have had the opportunity to be represented by Mr. Kaye. Thank you so very much! I don't know what I would have done with out you!

-1Mr. Kaye represented me a few years ago when I was involved in an automobile accident. My knee was injured when another car drove across the center line and hit me head on. I knew I needed legal advice, so I contacted Mr. Kaye. I was very pleased with the way he operated. He told me all my options in a no pressure and professional manner. He worked diligently on my behalf, and he always kept me updated on how my case was progressing. I have never dealt with an attorney that was so good about returning phone calls and answering questions. My result was excellent. He was able to convince my insurance company to pay out its policy limit without me having to go to a trial or even giving a deposition. I was very happy with I would recommend Mr. Kaye to anyone.

This note is to thank + recognize Barry P. Kaye. Mr. Kaye represented me in a challenging suit a few yrs ago. His experience + good judgement guided us right into a very successful settlement. Mr. Kaye maintained consistent + professional contact + conduct throughout. If he were a restaurant or new item on the market he'd get all 5 stars.

I am thankful that Barry P. Kaye has been my lawyer for the past 12 years. Barry has represented my circle of friends, family and I during these past years and he has always created positive outcomes. His honesty and willingness to help are his strongest qualities outside of the skills that he has shown in the courtroom.

I am not at liberty to disclose the specifics of my first case with Barry but I will give an insight as to how he made me feel as a client. I was referred to Barry during the most difficult moment of my life. I spoke no English and my whole life had changed within a couple of hours. Barry made me feel comfortable by hiring a translator and asking me questions regarding my personal life. He referred me to multiple services that would help me with my situation and was not pushy to make me hire him as a lawyer. I had many consultations with Barry and it was because of his pursuance to address ALL of my dilemmas that I gave Barry the opportunity to represent me in court.

Barry was relentless in winning my case. He updated me throughout my case and would call me on a constant basis to check on how I was adjusting to my new lifestyle. His actions made me feel at ease about my case because he earned my trust. My case was very complicated but Barry got me the results that I wanted. My life would be completely different had I not met Barry. Barry has represented me in other cases and he has always earned me what has been just. Barry is what makes Justice possible.

Best,

Elda

P.S. Sorry it took me a while to write this letter. Please keep all of my personal information confidential. Thank you for everything.

Dear Mr. Barry Kaye

On behalf of the present, I direct myself to you to express my gratitude when I acquired your services on 2 different occasions. I was completely satisfied with the way you handled my case.

Mr Kaye I greatly appreciate all your help in those very difficult times. I am grateful to have met you. When I seek the help of other attorneys they refuse to take my case. I was either referred to their representatives or transferred to their voicemail which was upsetting to me. You on the other hand were willing to personally discuss my case and answer all my questions in a kind manner. That made me trust in you. When we first met and I spoke to you, I was sure that you were going to help me and everything happened as I expected. Thank you Mr Kaye for your help.

Sincerely
